YOU WANT ADVENTURE AND THE OPEN ROAD, AND WE WILL PROVIDE YOU WITH THE COVERAGE YOU NEED TO FEEL SAFE DOING SO.

# PROTECT YOUR PURCHASE AGAINST THE RISING COSTS OF REPAIR

One major repair can cost as much, or even more than the entire cost of the warranty. Changes that have taken place in the automotive industry in recent years have created a complex, high tech automobile. With these changes have come increasingly higher repair costs. These common repairs can cost thousands of dollars and are rising rapidly. Peace of mind protection through a Peoples Choice Warranty.

## PLATINUM COVERAGE

### ENGINE:

Engine Block and Cylinder Head(s) (when damaged from within, excluding damage as a result of overheating regardless of cause) and all internally lubricated parts including: crankshaft and main bearings, connecting rods and bearings, camshafts and bearings, timing chains and gears, timing chain guides, pistons, rings and wrist pins, intake and exhaust valves, valve springs and retainers, rocker arms, shafts and pivots, push rods, hydraulic lifters, valve covers, oil pan, dipstick and tube, intake and exhaust manifolds, timing belt tensioner and cover, harmonic balancer and pulley, engine mounts and all seals and gaskets used to contain fluids and lubricants within the above described parts.

### TRANSMISSION/TRANSAXLE:

(RWD/FWD) a) Automatic: Case and transmission oil pan (when damaged from within) and all internally lubricated parts including torque converter. b) Manual: Case (when damaged from within) and all internal parts, powertrain control module, shift control sensors, transmission cooler, mounts and all seals and gaskets used to contain fluids and lubricants within the above described parts. EXCLUDING: manual clutch disc, pressure plate and release bearing, shifter, external linkages, slave cylinder, flexplate and flywheel.

**DIFFERENTIAL(S)** (including auxiliary differential)

### TRANSFER CASE:

(RWD/AWD/4WD): Housing/Case (when damaged from within) and all internal parts including differential cover, locking hubs, drive shafts and universal joints, axle shafts and constant velocity joints, center support bearings, front wheel bearings and 4WD/transfer case actuator and all seals and gaskets used to contain fluids and lubricants within the above described parts.

## **TURBOCHARGER:**

Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including intercooler, waste gate controller and hard lines.

## **SUPERCHARGER:**

Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including bypass valve and pulley.

## **AIR CONDITIONING:**

(Includes rear/auxiliary A/C) Compressor, clutch assembly and pulley, evaporator, accumulator, receiver dryer, expansion valve, orifice tube, idler pulley and bearing, condenser, refrigerant lines, high/low pressure cycling switch, oil and refrigerant.

## **ELECTRICAL COMPONENTS:**

Starter motor and solenoid, alternator and voltage regulator, electronic ignition module (excluding ECM's), windshield wiper motors and washer pumps (front & rear), heater/A/C blower motor (front & rear) and horn assembly, engine wiring harness, transmission wiring harness, crankshaft angle sensor, camshaft sensor, knock sensor, ignition switch and lock cylinder and manual heat/A/C control head.

## **BRAKE SYSTEM:**

Master cylinder, vacuum assist booster, proportioning valve, disc brake calipers (front & rear), flexible brake fluid hoses, rear wheel cylinders, backing plates and return springs, steel brake lines, brake linkages and emergency/hand brake cables, ABS electronic control processor, isolation/dump valve and wheel speed sensors.

## **STEERING COMPONENTS:**

Rack and pinion, power steering pump, reservoir and pulley, steering gear/box, power steering hoses, pitman arm, idler arm, center link, steering knuckle/spindles, main and intermediate shafts, power steering cooler and lines, steering dampener, internal tilt wheel mechanism, inner and outer tie rod ends and drag links.

## **FRONT & REAR SUSPENSION:**

Upper and lower ball joints, upper and lower control arms and their shafts and bushings, variable dampening suspension compressor, control module, actuator, solenoid, height sensor and mode selector switch, torsion bar, mounts and bushings, stabilizer bar, links and bushings, spindles and rear wheel bearings.

## **FUEL INJECTION:**

(Gas and Diesel) Fuel pump, fuel injectors, fuel injector lines, fuel injector regulator and injection/distribution pump.

## **ELECTRONIC HIGH TECH:**

Anti-Lock Brakes (ABS)/Traction Control (TCS) module, exciter rings, pump motor/hydraulic unit including relays, accumulators, pressure modulator and valve assembly, electronic climate control module, electronic ignition and fuel injection computer control module (ECM), cruise control servo, transducer and cable, main electronic instrument cluster (display for speed, odometer, temperature, tachometer, oil pressure, fuel and voltage), keyless entry door control keypad, power door lock actuators and switches, power window motors, power seat motors, power antenna, exterior mirror motors, sunroof motor, convertible top motor, hidden headlamp door motors, automatic load levelling compressor motor and electronic trunk release actuator ignition coil(s)/coil packs and housing, oxygen/NOX sensors, power seat, door lock and rear defogger switches.

## **FUEL DELIVERY COMPONENTS:**

Fuel tank, sending unit, metal fuel delivery lines and vacuum pump.

## **COOLING SYSTEM COMPONENTS:**

Radiator fan motor, clutch fan, serpentine belt tensioner, heater core, thermostat, hot water valve and water pump.

## **SEALS AND GASKETS:**

All those used to contain fluids and lubricants within the covered parts. Every covered repair includes the replacement of coolants, refrigerants, transmission fluid and filter, engine oil and filter, hydraulic fluid and lubricants, when required as a result of a failure of a covered component.

## **BODY INTERIOR AND HARDWARE:**

Fuel door, trunk and hood release cables.

## DIAGNOSTIC CHARGES:

In the event of a covered repair, diagnostic charges shall also be covered beyond the first hour, at PCW's sole discretion and must be pre-approved.

## WEAR AND TEAR COVERAGE:

Repairs due to normal wear and tear deemed to include, but not limited to, repair, or replacement of valves and/or piston rings where the purpose, in whole or in part, is to raise engine compression, or reduce oil consumption and no mechanical failure has occurred, or is imminent.

## ROADSIDE ASSISTANCE:

We will reimburse you up to \$50 (fifty) per occurrence to an aggregate maximum of \$250 (two hundred and fifty) Canadian dollars (including taxes) for the following events: Winching Coverages, Battery Boosting, Emergency Fuel Delivery (max.10 litres), Flat Tire Coverage and Vehicle Entry Assistance. Valid receipts must be submitted for reimbursement.

## TOWING:

We will reimburse you up to \$50 (fifty) Canadian dollars per occurrence to an aggregate total of \$200 (two hundred) Canadian dollars including all taxes for towing expenses incurred due to a mechanical breakdown covered under this contract. Valid receipts must be submitted for reimbursement.

## CAR RENTAL/TRIP INTERRUPTION:

a) Car Rental: We will reimburse you for car rental expenses incurred due to a covered mechanical breakdown. Benefits will be payable if the labour time required to repair the vehicle as allocated by a recognized labour guide exceeds 8 hours. Reimbursement is up to \$40 (forty) Canadian dollars per day, to a maximum of \$200 (two hundred) Canadian dollars for the term of this contract. Prior approval must be obtained and valid receipts must be submitted for reimbursement.

b) Trip Interruption: We will reimburse you for lodging, meals, bus or taxi expenses incurred due to a mechanical breakdown. Benefits will be payable if you are more than 300 kilometres away from home and the labour time required to repair the vehicle, as allocated by a recognized labour guide exceeds 8 hours. Reimbursement is up to \$50 (fifty) Canadian dollars per day to a maximum of \$200 (two hundred) Canadian dollars for the term of this Contract. Valid receipts must be submitted for reimbursement.

# OPTIONS

## ZERO DEDUCTIBLE:

If you have selected and paid for this option, your deductible will be waived on all claims for the life of your contract.

## ULTRA HIGH TECH:

Drivers Video Display Screen including; DVD, GPS/Navigation Unit, Bluetooth, Radio Head Unit, HVAC controls and Back Up Camera. Back Up Camera Sensors, Body Control Module, Keyless Ignition push button, Blind Spot Detection sensors, Heated Seat elements, Advanced Keyless Entry (hands free) door handles and sensors, Power Sliding Door motor, Rear Tailgate / Hatch / Trunk motors, Power Tilt / Folding / Telescopic Mirror motors

## HYBRID / ELECTRIC VEHICLE:

Battery Control Module, Battery Pack Cooling Fan, DC/DC Converter, Hybrid Control Module, Hybrid Traction Motor(s), Generator, Drive Unit, Hybrid Specific Transaxle / Transmission Housing and all internal parts, Inverter, Inverter System Controller, On Board Charger, On Board Charger Fan. Coverage excludes: Battery.

## AVERAGE COST OF REPAIR

<b>ENGINE</b>	\$4,800
<b>DIFFERENTIAL</b>	\$2,250
<b>AIR CONDITIONER</b>	\$1,750
<b>ABS BRAKES</b>	\$2,800
<b>TRANSMISSION</b>	\$2,850
<b>HEAD GASKET</b>	\$1,745
<b>STEERING RACK AND PINION</b>	\$875
<b>INFOTAINMENT SYSTEM</b>	\$2,175
